FRASER POWER SQUADRON NEWS

March, 1980

Volume 5

Number 8

Next Meeting:

Date: March 28th

Place: Delta Town & Country
6005 Hwy. #17, Delta

Time: 1930 fellowship
2000 speaker

Our speaker this month will be Theo. Thorkilsen. We always seem to wonder about insurance for our boats, how much we should carry, how much is the cost, and our liabilities. Mr. Thorkilsen will be able to give us answers, so come prepared to ask away!

We also hope to have a workshop type of program to find out what the members would like to have for our monthly programs, our cruises and any other pertinent info. We hope you will come and give lots of input so that you may have the types of programs you wish. Looking forward to seeing you all there and welcoming new ideas.

Last month we had a very small paper put out and I bet lots of you were wondering why. The reason being that we mailed out the membership cards with the newsletter in order to save postage and the Post Office gets sticky about the weight!

Next Executive Meeting:

March 30th, 1980 at 1930 hrs.
Hank Van Montfoort,
8431 Mowbray Road,
Richmond, B.C.

1st Lt. Esther Dombrowski
Secretary

UNDERWATER PHOTOGRAPHY

After the business of the Annual General Meeting has been completed, we will be treated to a slide show and discussion of underwater photography by Mr. Gary Bridges. Gary is a member of the Underwater Archeological Society of B.C. and is also a professional photographer. He will be showing slides of West Coast flora and fauna as well as some of our maritime history as it exists underwater.

Don't forget to mark Apr. 11th on your calendar for this exciting program.

Boating Hints: Think of ways to minimize non-organic garbage. Use paper whenever possible, don't buy styrofoam and other plastics unless you're willing to pack or bury it, definitely not overboard!

With so much interest shown in weather, we would like to ascertain if anyone would be interested in a local weather course for an evening or day. This would give the basic rudiments for weather forecasting in this area, the whys and wherefores. This really is important for people wanting to cruise the islands. Please give Tony Merry a phone call if interested. 943-2895

Report on last meeting

by Vic Ramos

"The rain is raining all around,
It falls on field and tree,
It rains on the umbrellas here,
And on the ships at sea."

The local meteorological office operated by Environment Canada's Atmospheric Environment Service is staffed by experts who know their responsibility to the public.

On February 29th, John Paschal's boss, Director of Operations for the weather bureau Mr. Frank Williams gave an informative talk on the how and why of our local weather conditions and where to get up-to-date 24 hours, seven days a week weather information.

Other News.....

⚓ Cdr. Marg. Halliday is looking for an assistant cruismaster to head up a new program this year, cruises for trailable boats. If you are interested please call her.

⚓ The sailing season is once again here and I know some of you have already been on shake-down trips. But remember the old order changeth and like the new season we have new rules that must be observed for our own safety. Before heading out pick up a copy of Transport Canada Marine BOATING SAFETY GUIDE, there is a few new rules you will be interested in, like flares that you must have onboard and the boarding ladder that is required ect.

⚓ Are you interested in expanding your knowledge of navigation and have fun at the same time, with emphases on the fun. Then Predicted Log Raceing may be for you. The GULF OF GEORGIA LOG RACE COMMITTEE would like you to come down and join in on the fun. For more information and 1980 events scheduled, please call Karl Bartsch, Racing Chairman at 922-0897.
