**Fraser Squadron
Christmas
Dinner and Dance**

Date: December 2, 2006
Cocktails: 6:00 pm
Dinner: 7:00 pm
Dance: 9:00 pm - 1:00 am

This dinner is a popular and well attended affair. If there is one Fraser Squadron event that you can attend, make this the event. I would particularly like to encourage any members who have never made it to our annual dinner to come out join us.

There will be plenty of fine food, great company, dancing and gifts and a generous helping of good times.

Anchors Away BBQ

Oct 31 saw our "Anchors Away Fall Barbeque" at the Airport Yacht Club clubhouse. It was great to see a turnout of 32 members to enjoy the cooking skills of Chefs Everson and Muller.

There was no shortage of food, proving you should never send Cleve grocery shopping with an empty stomach. We managed to go through 5 packages of chicken breasts along with a package of pork chops, a huge veggie and fruit platter, salads and of course, after dinner goodies. At the end of it all, we had a little auction to clear out the remaining food items.

Three lucky people walked away with door prizes and yes there was the ever popular 50:50 draw.

It was a great time and a heartfelt "Thanks" is sent to all those who helped with the preparations and cleanup afterwards.

Commanders Corner

Welcome fellow Fraser Squadron members,

Due to space restrictions, I did not have the opportunity to greet everyone after this past summer. And what a great summer it was! As you read in the last Fairlead we had excellent turnout for our cruises, due in no small part to the efforts of our hardworking Cruismasters Alan and Alberta.

We are well into another training year with plenty of courses offered. For anyone who is missing out on the opportunity to take a Piloting or Advanced Piloting course, please keep your eye on the web site. If there is the demand for other courses, I'm sure they will be run.

Our annual Christmas dinner and dance is just around the corner. One of the highlights of the evening is the Pleasure Bent and Fisherman's awards. These awards answer those age old questions. "Who caught the biggest fish?", and "Who hit the biggest rock?".

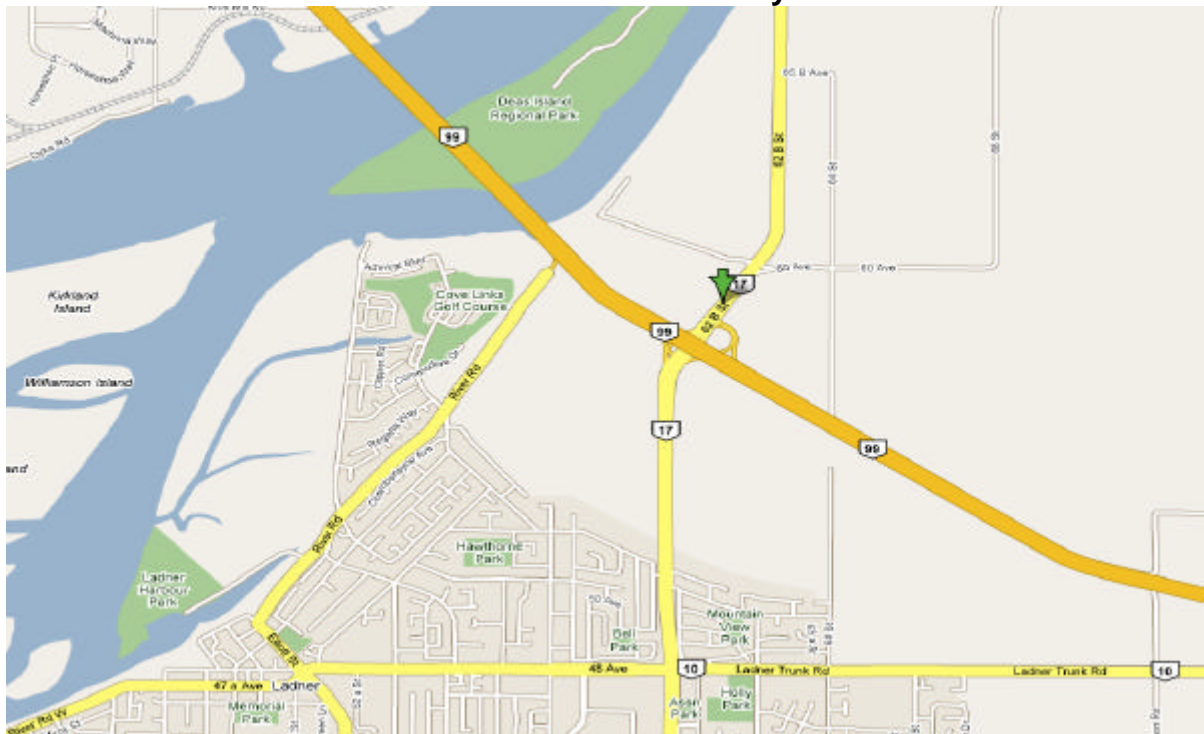

Of course give out these awards we need candidates. Did you, or another member, land a great catch? Let me know. Did you, or another member, suffer some particularly embarrassing moment on the water? Send me the story so you can relive those red faced moments.

Spouses, this is the perfect time to rat out your partner (or bargain for that trip to Hawaii).

Have a great winter,
I hope to see many of you at the Christmas dance
